

ARE YOU PRACTICING AS MUCH AS YOU THINK YOU SHOULD?

What is important to you?

“Every day, you are pulled in so many directions, by so many people and things, that it is virtually impossible to fulfill all of the expectations and obligations. Most of us attack first the little things, thinking that by doing so, we can spend more time on the big things. But, we know all too well that the little things keep accumulating, and before you know it, the big things never get done.”
